ALUCHEF | PREMIUM LIGHTWEIGHT COOKWARE

I ALUCHEF

 **FREE FROM PFAS, PTFE & OTHER HARMFUL CHEMICALS**

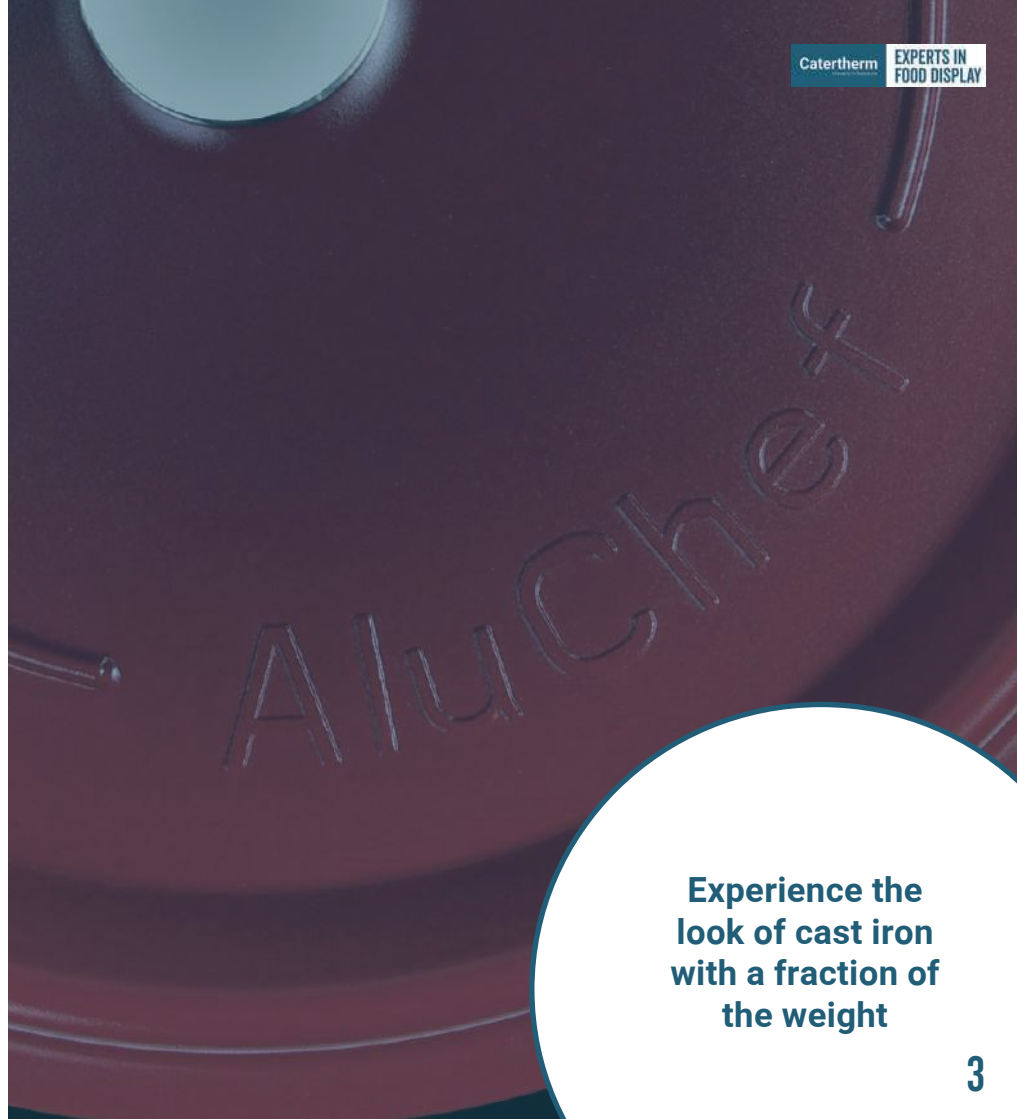

AluChef is a high-performance, lightweight cast aluminium cookware range

Designed for busy kitchens of all types, just $\frac{1}{4}$ the weight of traditional cast iron

Ceramic interior coating which is PFAS & PTFE-free; safe for professional kitchens

Outstanding scratch & stain resistant, non-stick surface for seamless cooking & cleaning

AluShield exterior coating withstanding up to 320°C, safe for high-heat cooking

Experience the look of cast iron with a fraction of the weight

**Compatible with
all induction &
display plates for
seamless service**

I GASTRONORM GN1/1 PAN

YOUR PROFESSIONAL BUFFET MADE EASY

- Lightweight cast aluminium GN1/1 pan
Ideal for professional buffets & catering
- Ceramic interior coating is PFAS and
PTFE-free for easy cooking and cleaning
- Commercial dishwasher safe
- Compatible with induction, ovens & all cooktops
- Works with the Glass Lid & the Pan Divider for
flexible catering set ups
- Part of AluChef Gastronorm range

I GASTRONORM PAN DIVIDER

FOR MULTIPLE CHOICE BUFFETS

- The removable, watertight divider fits the Gastronorm GN1/1 pan for flexible serving
- Space-efficient single size makes for easy back-of-house storage

 <p>Water-tight sealing</p>	 <p>Food-grade coated steel & silicone</p>	 <p>200°C heat resistant</p>
---	---	---

- Ideal for corporate catering & canapés, serve multiple items or smaller buffets
- Durable & safe: food-grade steel & silicone, dishwasher safe, up to 200°C

COOK & SERVE DISHES

Works perfectly with our Hot & Cold Plates

HIGH DURABILITY NON-STICK CERAMIC INTERIOR COATING

 <p>Pure & safe</p>	 <p>Superior non-stick</p>	 <p>Resistant & durable</p>	 <p>Easy to clean</p>	 <p>Eco-conscious</p>
<p>PFAS & PTFE-free ceramic interior</p>	<p>Easy food release, minimal oil or fat needed</p>	<p>Scratch & stain-resistant for daily use</p>	<p>Commercial dishwasher safe & easy to clean</p>	<p>Low-impact manufacturing, supporting sustainability</p>

Cook, transport & serve all in one dish – no need to decant between equipment

Certified for professional kitchens focussed on health-conscious cooking

Superior heat and cold transfer thanks to the cast aluminium design

ALUSHIELD

ADVANCED ORGANIC SILICONE ENAMEL EXTERNAL COATING

 <p>Best-in-market heat performance</p>	 <p>Superior non-stick results</p>	 <p>Exceptional durability</p>	 <p>Comprehensive substrate protection</p>
Withstands up to 320°C without cracking or emissions	Advanced silicone matrix ensures easy release & faster cleaning	Resists salts, oils & detergents for long-lasting performance	Shields aluminium from corrosion & oxidation

Kitchen staff benefit from a quicker clean-up

ULTRA-LIGHT COOKWARE

NEVER STRUGGLE WITH HEAVY COOKWARE AGAIN

- Lightweight & versatile. Easy to lift, carry & transport
- Significantly lighter than steel or cast iron alternatives
- Ideal for all foodservice areas
- Stackable, saving space
- High performance without compromising on strength or durability
